Hey Palmer -

Remember I mentioned that Bob and Nancy inquired about these two things during their weekly when you were gone? I'm checking in again to see if you would like me to send them up or if you have a plan to do that as part of another communication with them. Would you like me to send them forward?

Just trying to keep it from slipping through the cracks...

cheers

R

**Subject:** Bristol Bay - PLP data letters

Per the discussion at the Bristol Bay management briefing yesterday, I am attaching the letters that have gone from Dennis McLerran to PLP requesting their data. Per directions from the management group, I'll begin work on drafting a letter which summarizes the discussions about the PLP data and asks for a response to our data request. I'll send the draft around for everyone's review - if you have suggestions for the letter content, please let me know.

Palmer, Rachel, Jeff - please forward these letters to the appropriate folks at HQ. Thanks!
